PRODUCT CATALOUGE

ABOUT US

- The company **MODTECH** got established in the year 2005.

- The owner of this company Mr. Chetan N. Panchal, an extremely dedicated businessman, started off with laser cutting services in firm name **M/s MODTECH**. It is located in Goregaon with an area of 1,000 sq. feet..

- The company grew consistently and in 2010 it emerged with a new company **M/s MODTECH ENGINEERS AND FABRICATORS** in Vasai with an area of 8,000 sq.feet

- Thereafter, the company grew more with good experience and captured the base in market

- We started manufacturing new **Knock Down** products such as **File Cabinets, Personal Lockers, Almirahs, Dressing Units and Universal Cabinets** in Vasai.

- Satisfy your craving for colors with new finishes from Decora. At once both on-trend and timeless, our new paints and stains are ready to impact your home's style.

- **MODTECH** full line brochure is your one-stop-shop for the complete product offering. Browse through our cabinetry photo galleries and choose door styles, material and finishes /colors to make the project uniquely yours.

- A handy, easy-to-follow guide for selection of styles and finishes/colors. Think of it as a quick reference guide and menu for making those all-important decisions.

- **MODTECH** ensures Global Quality standards at **cost-effective prices**. **Delivering Price, Quality and Delivery** are the USP (Unique selling proposition).

Mission -

- Continuous tech fabrication solution to the Indian engineering sector and the company also ensures providing overall satisfaction to the clients and customers.

Vision -

- Our vision is to give shape to your imagination in a simplified manner with optimum utilization of latest technology and manpower.
